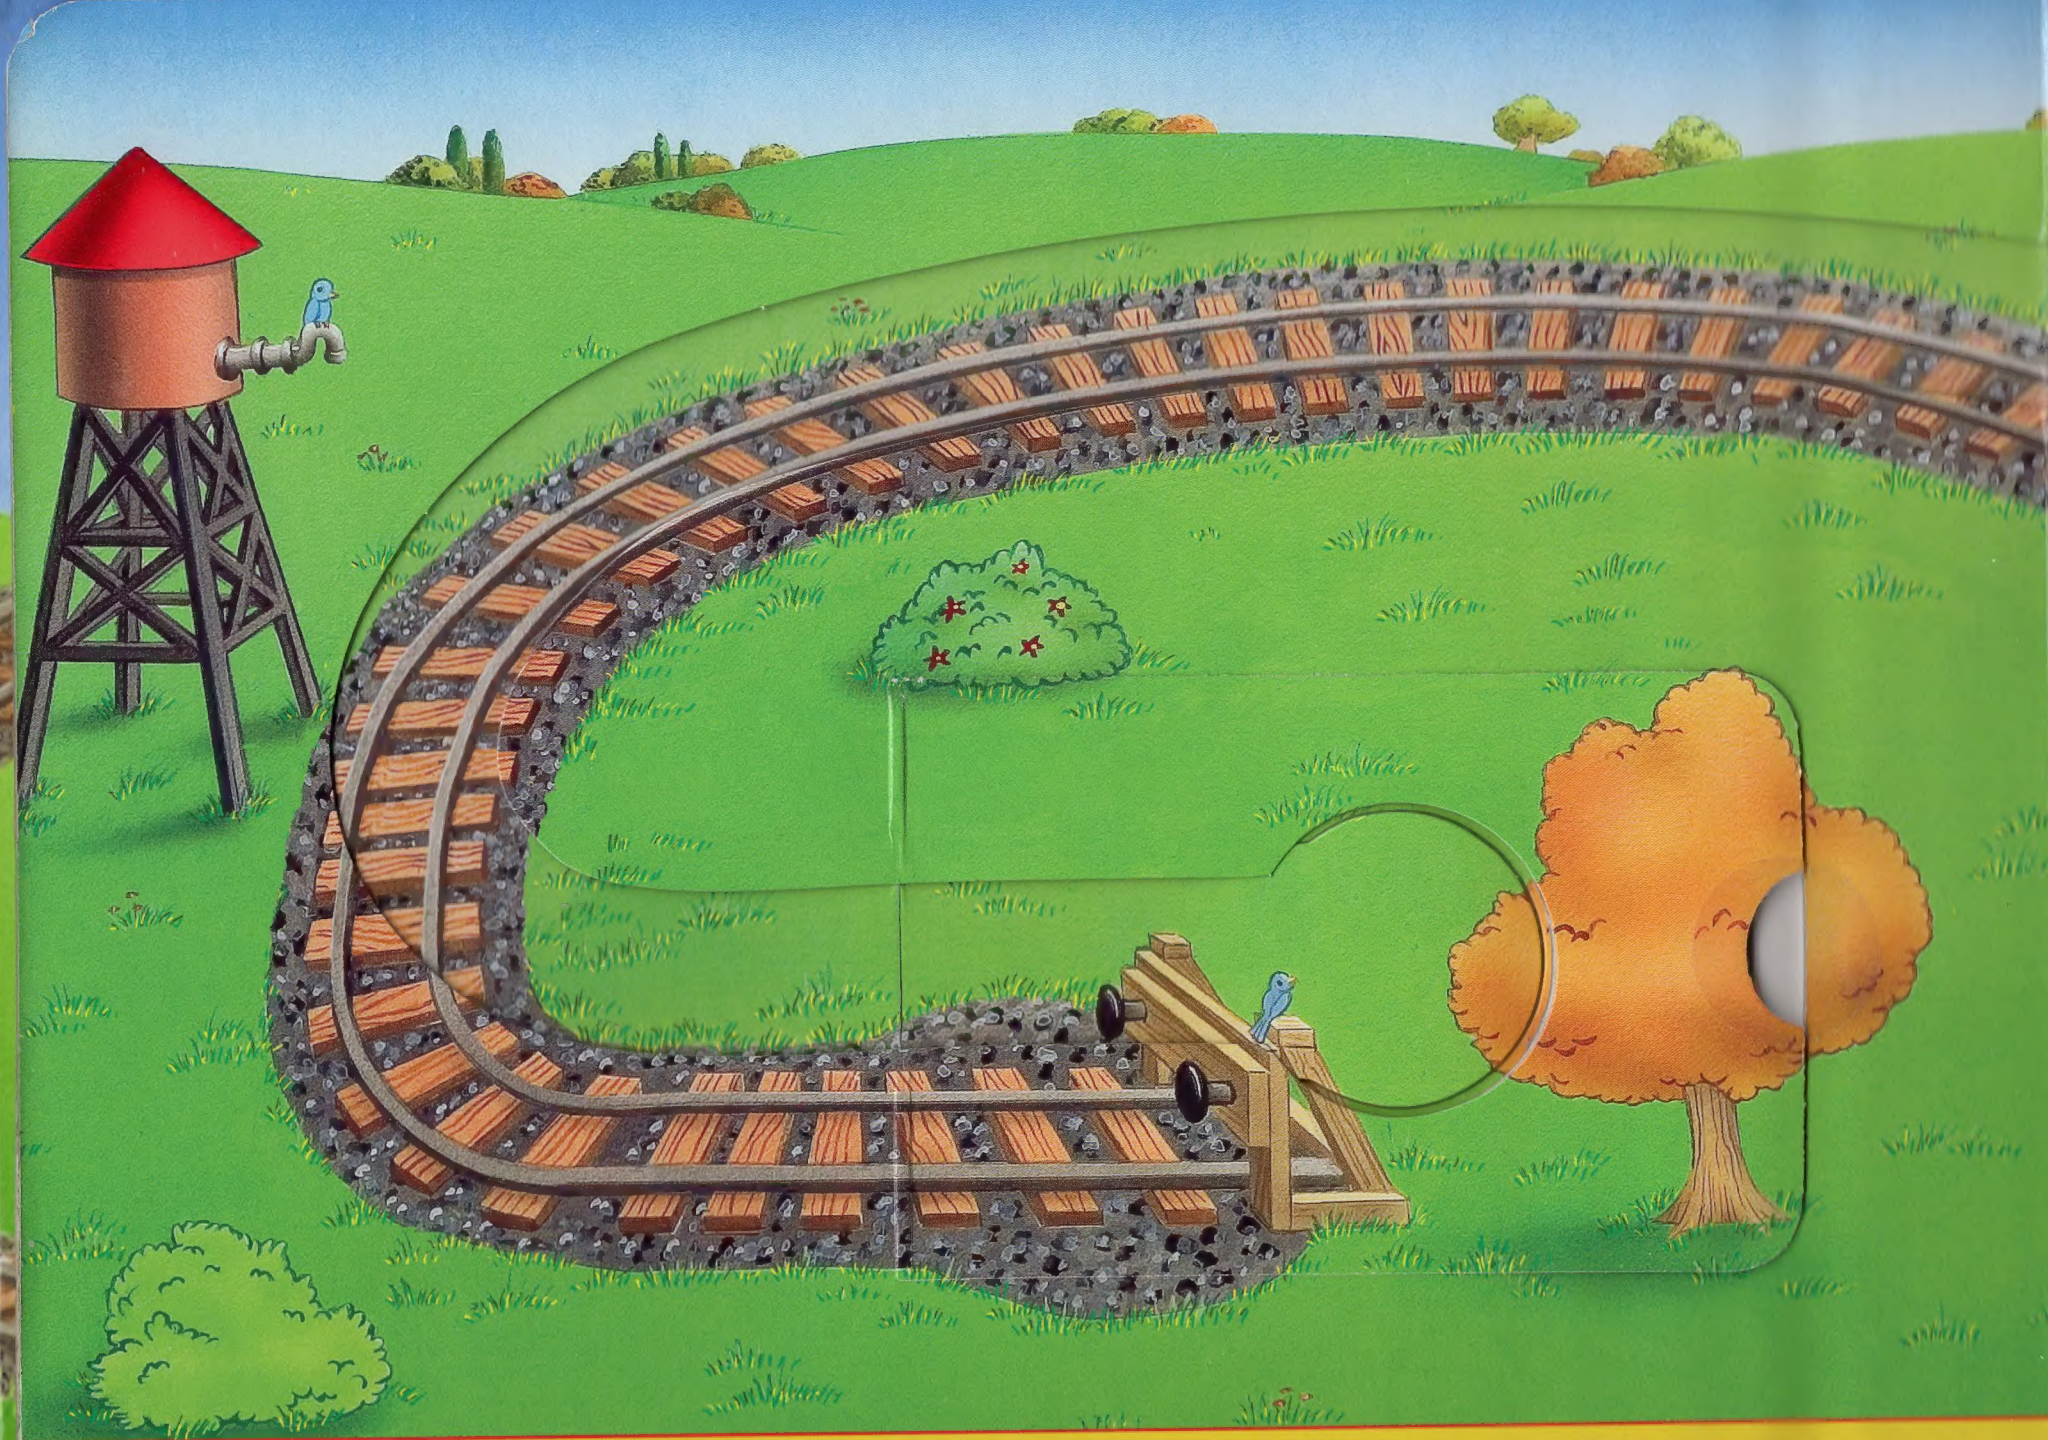
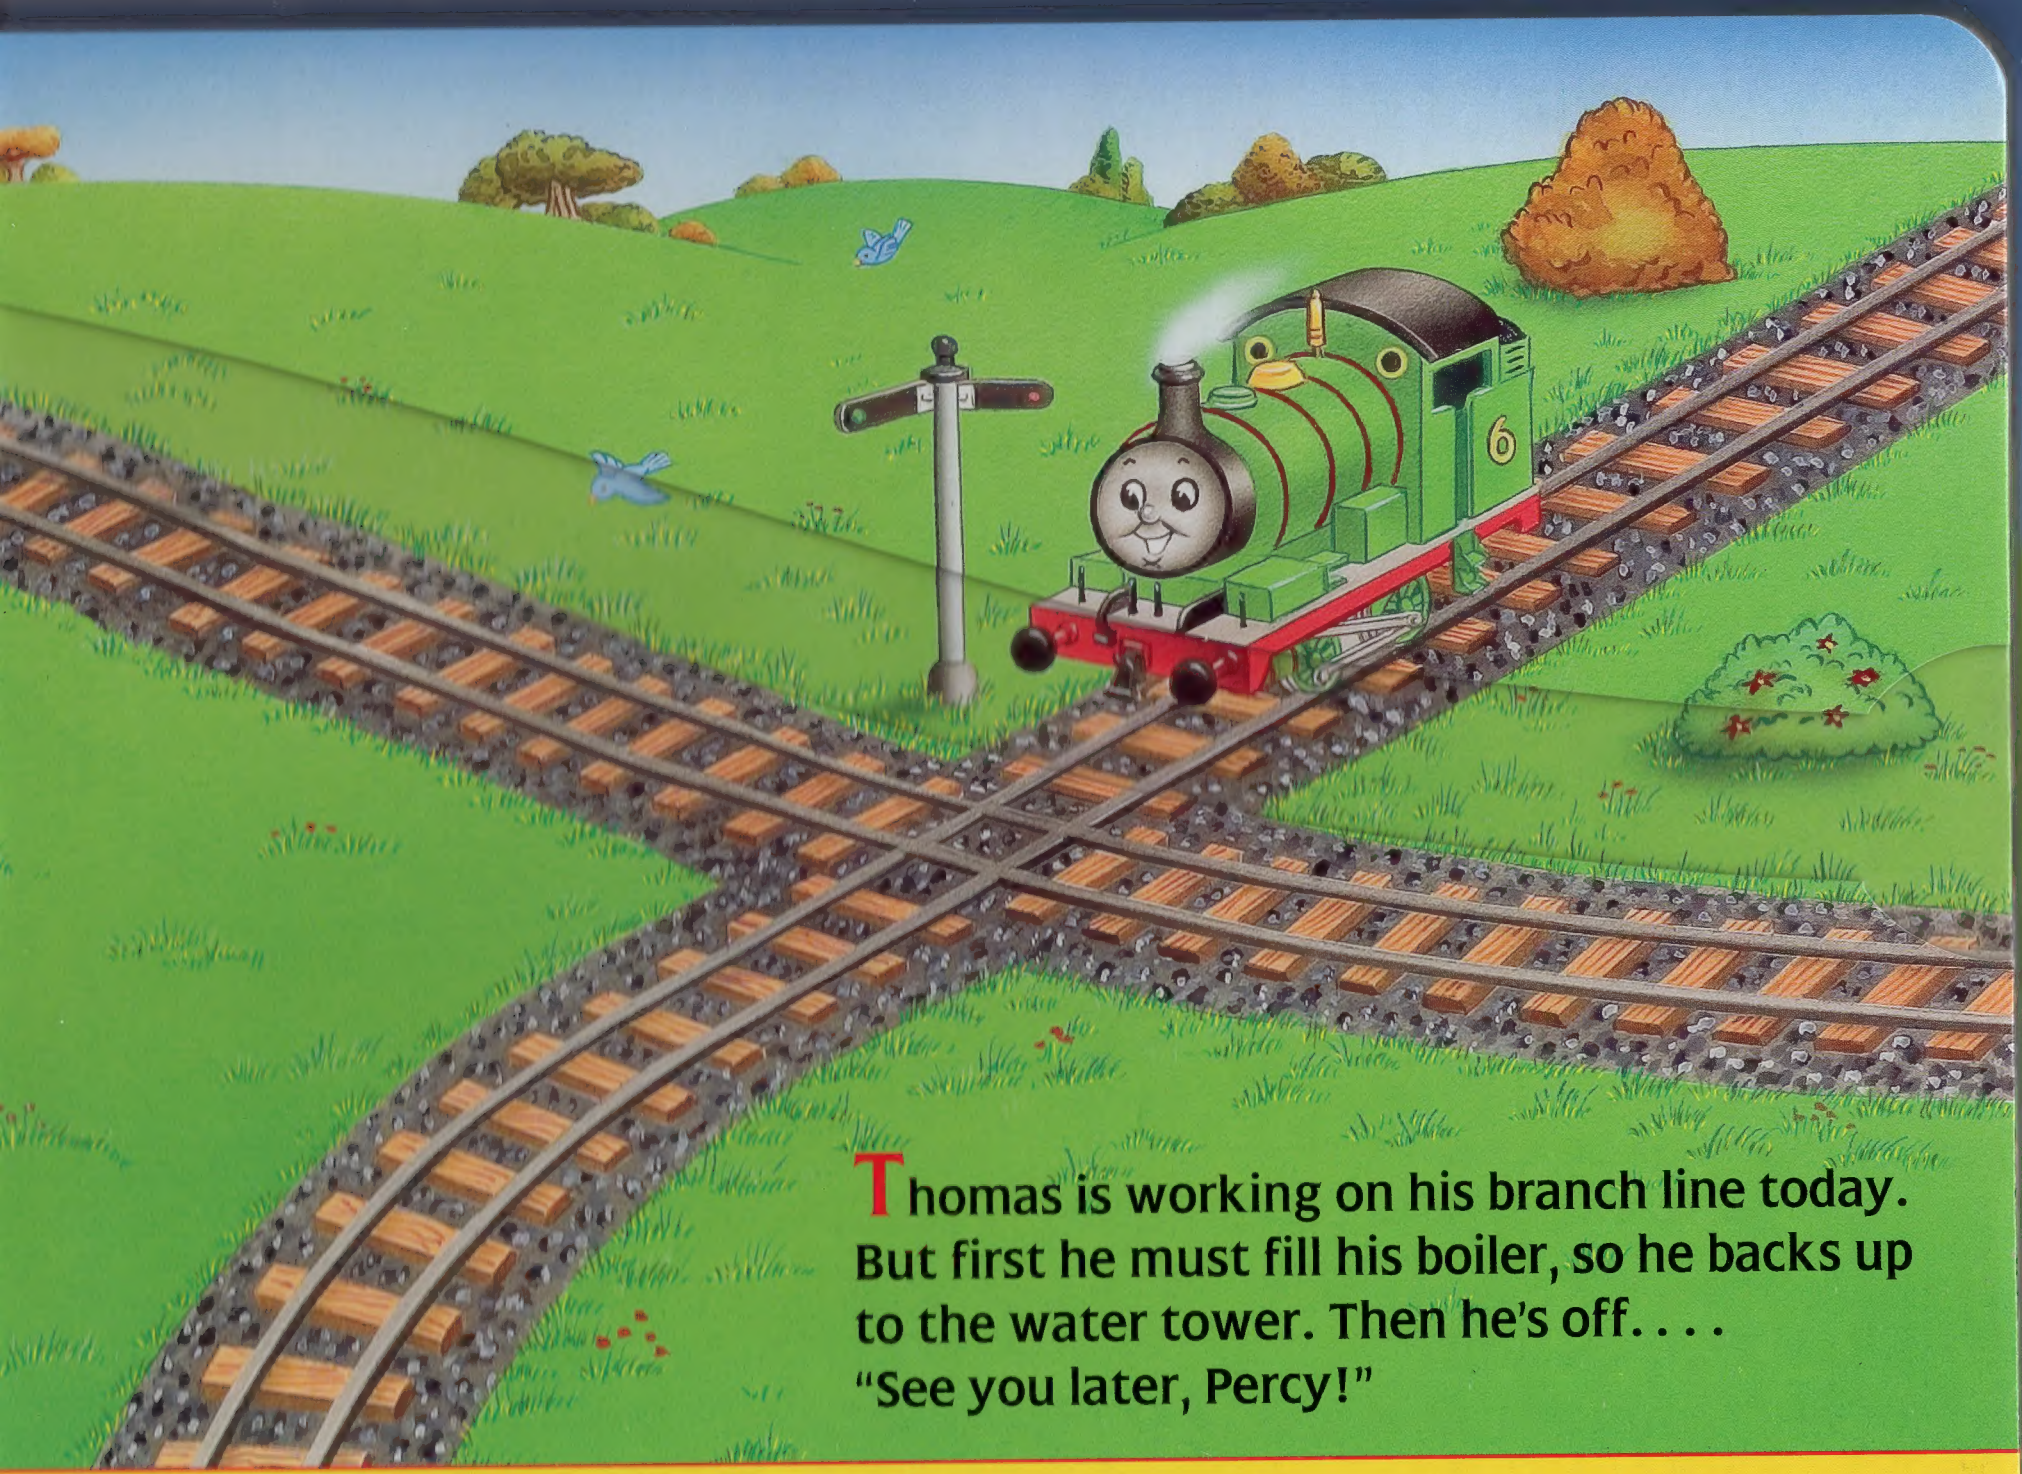
Travel with Thomas around the Island of Sodor

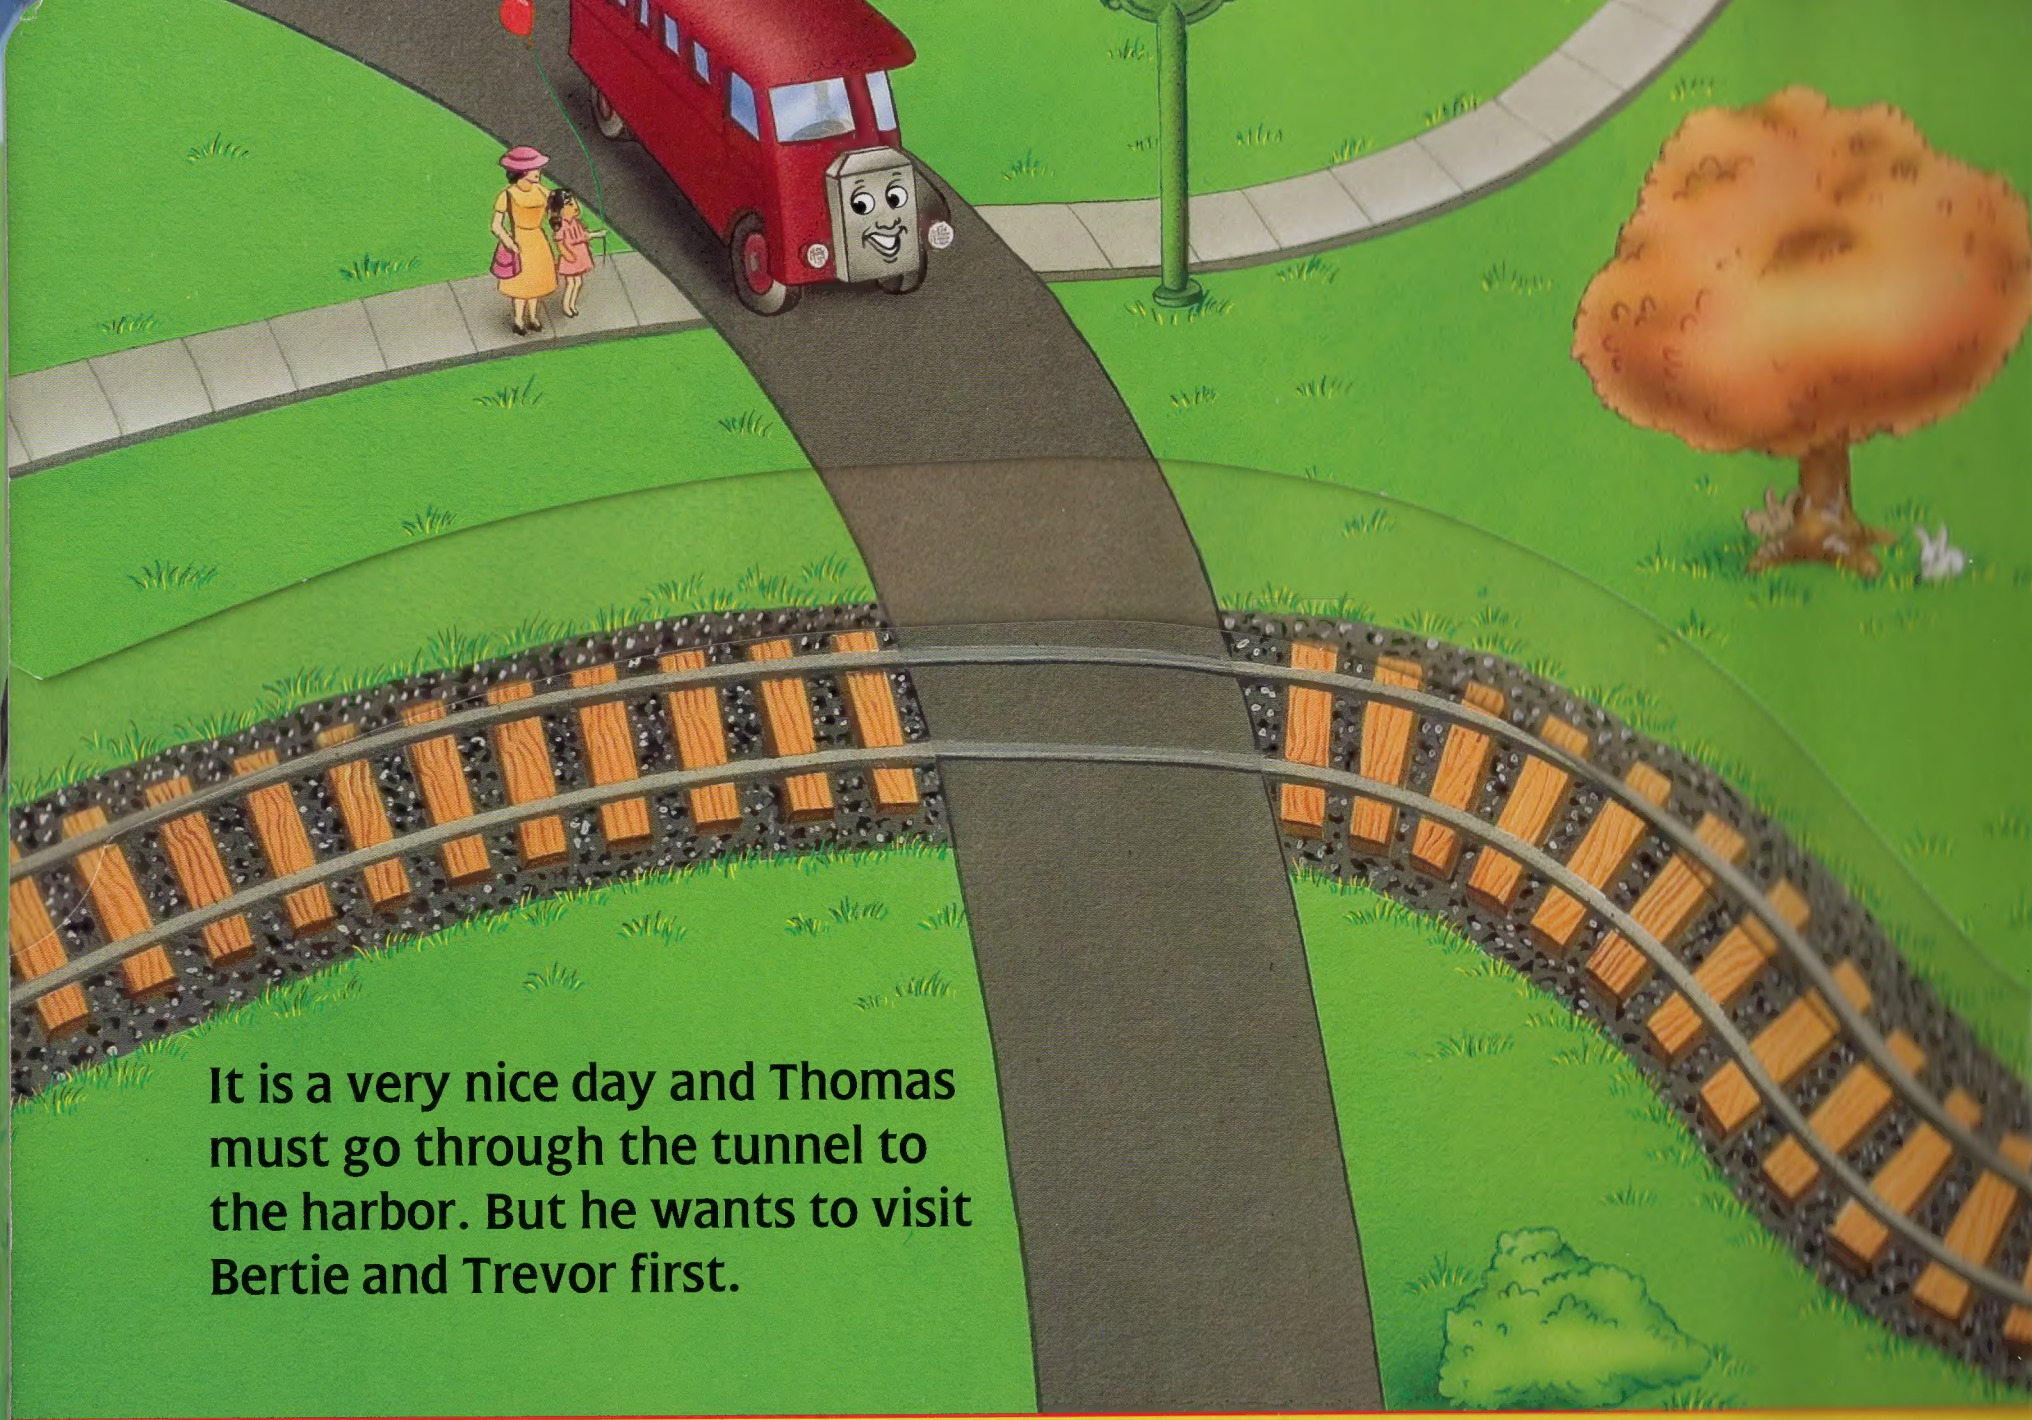


How many birds can you find? What color is the water tower roof? What number is Percy?



Thomas is working on his branch line today. But first he must fill his boiler, so he backs up to the water tower. Then he's off. . . . "See you later, Percy!"

Can you find the two bushes that look alike? Does Percy look happy or sad?

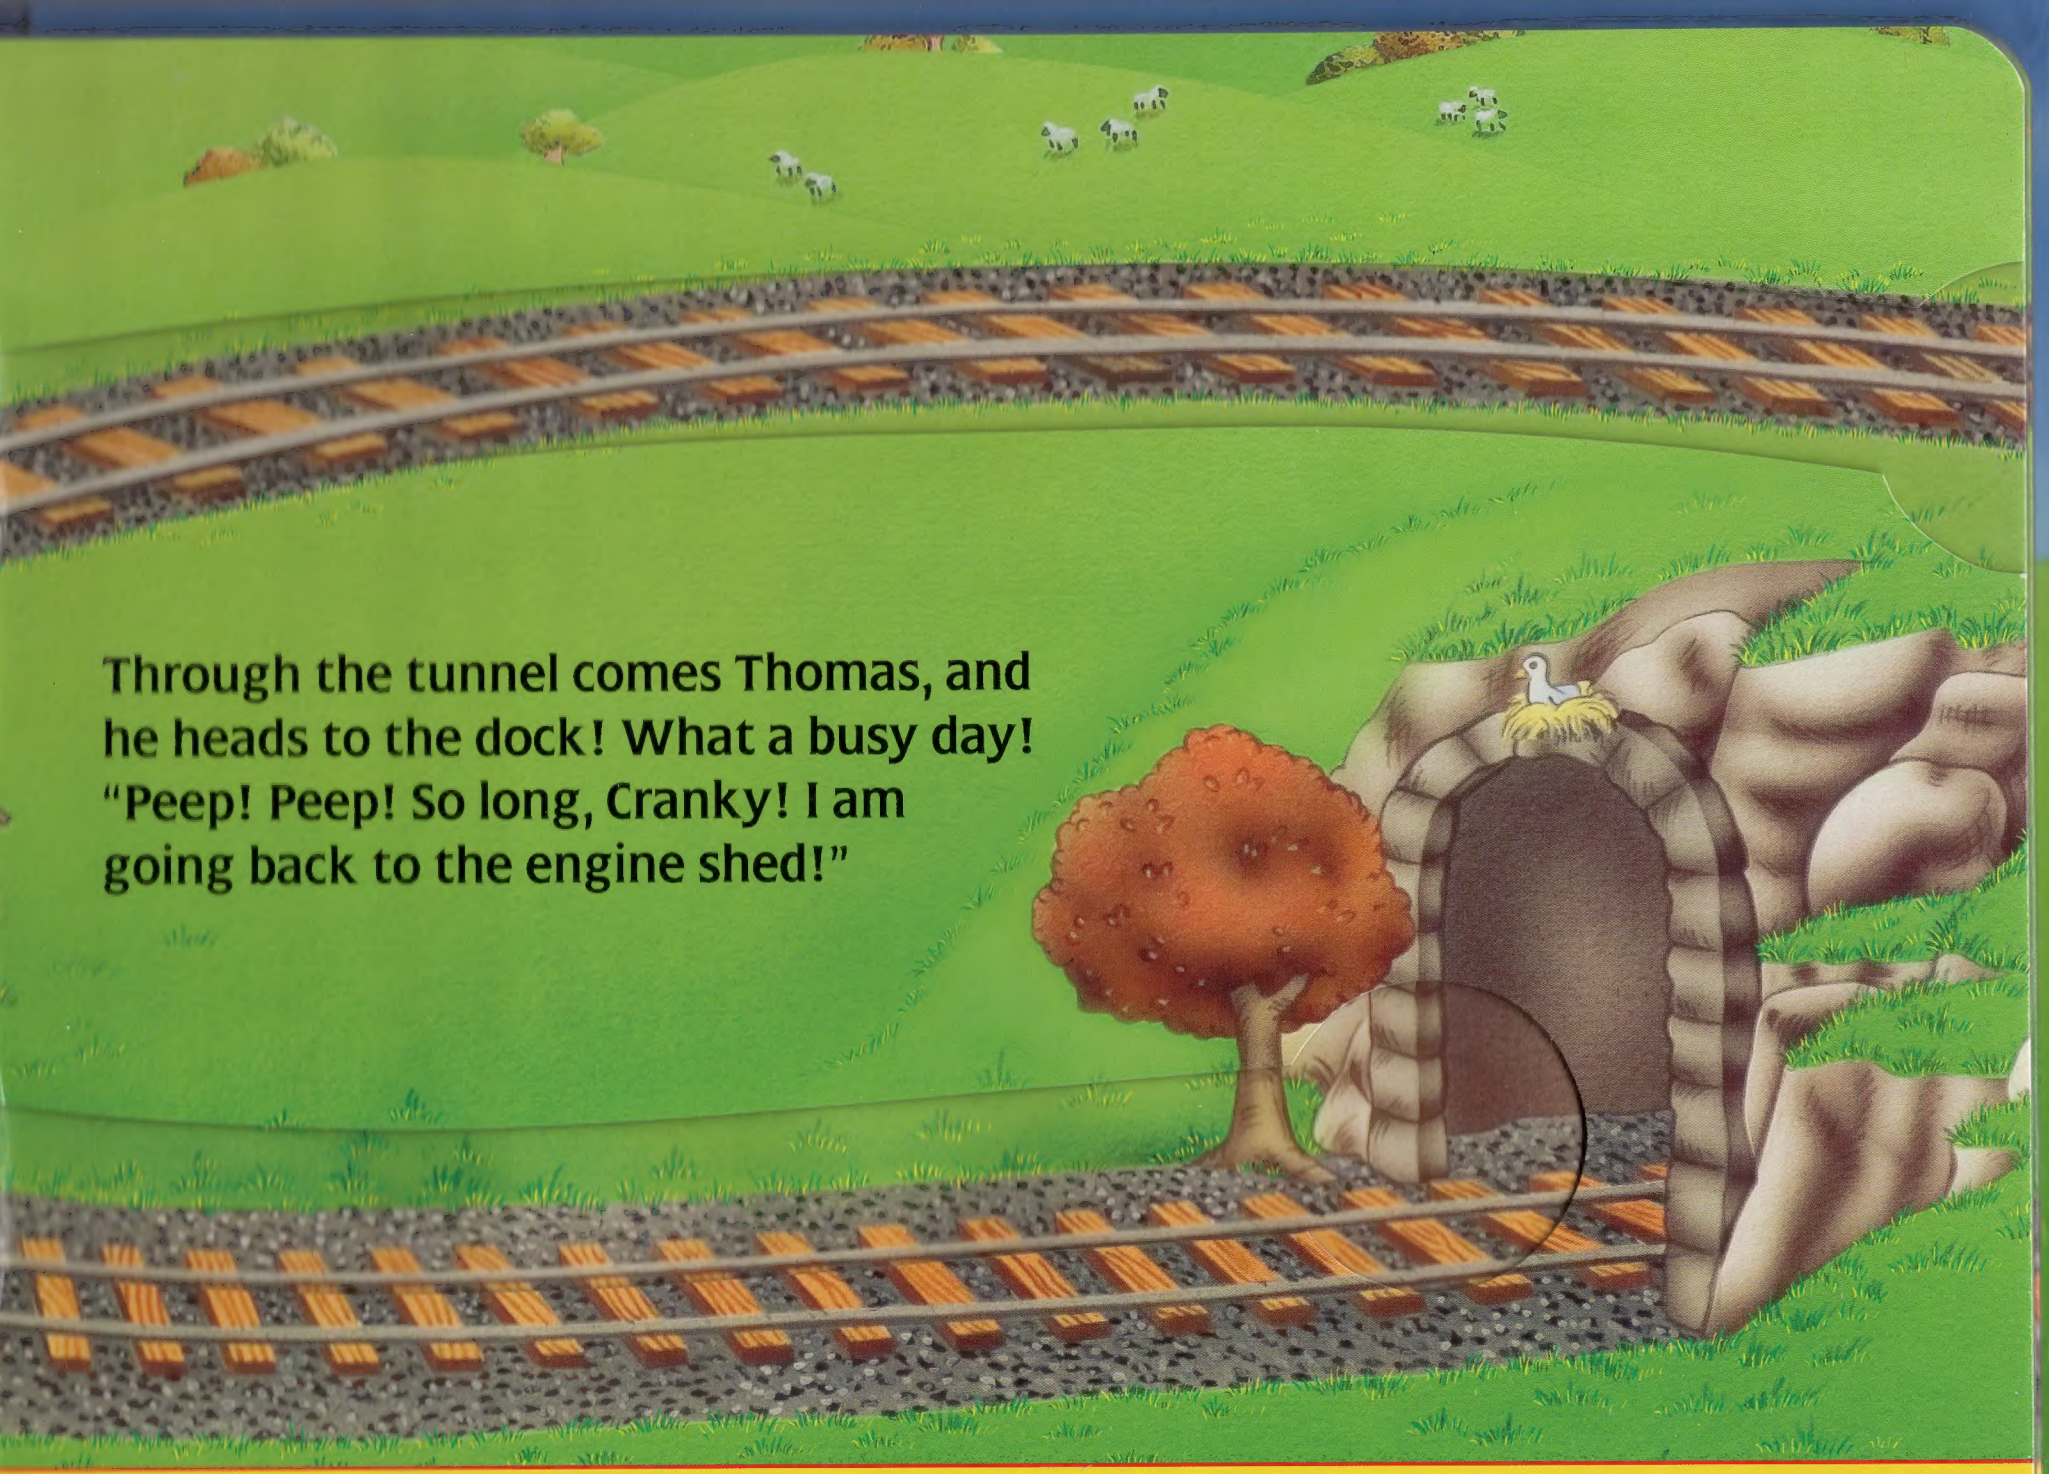


It is a very nice day and Thomas must go through the tunnel to the harbor. But he wants to visit Bertie and Trevor first.

What color is the balloon? How many windows are on Bertie? What shape are Trevor's wheels?

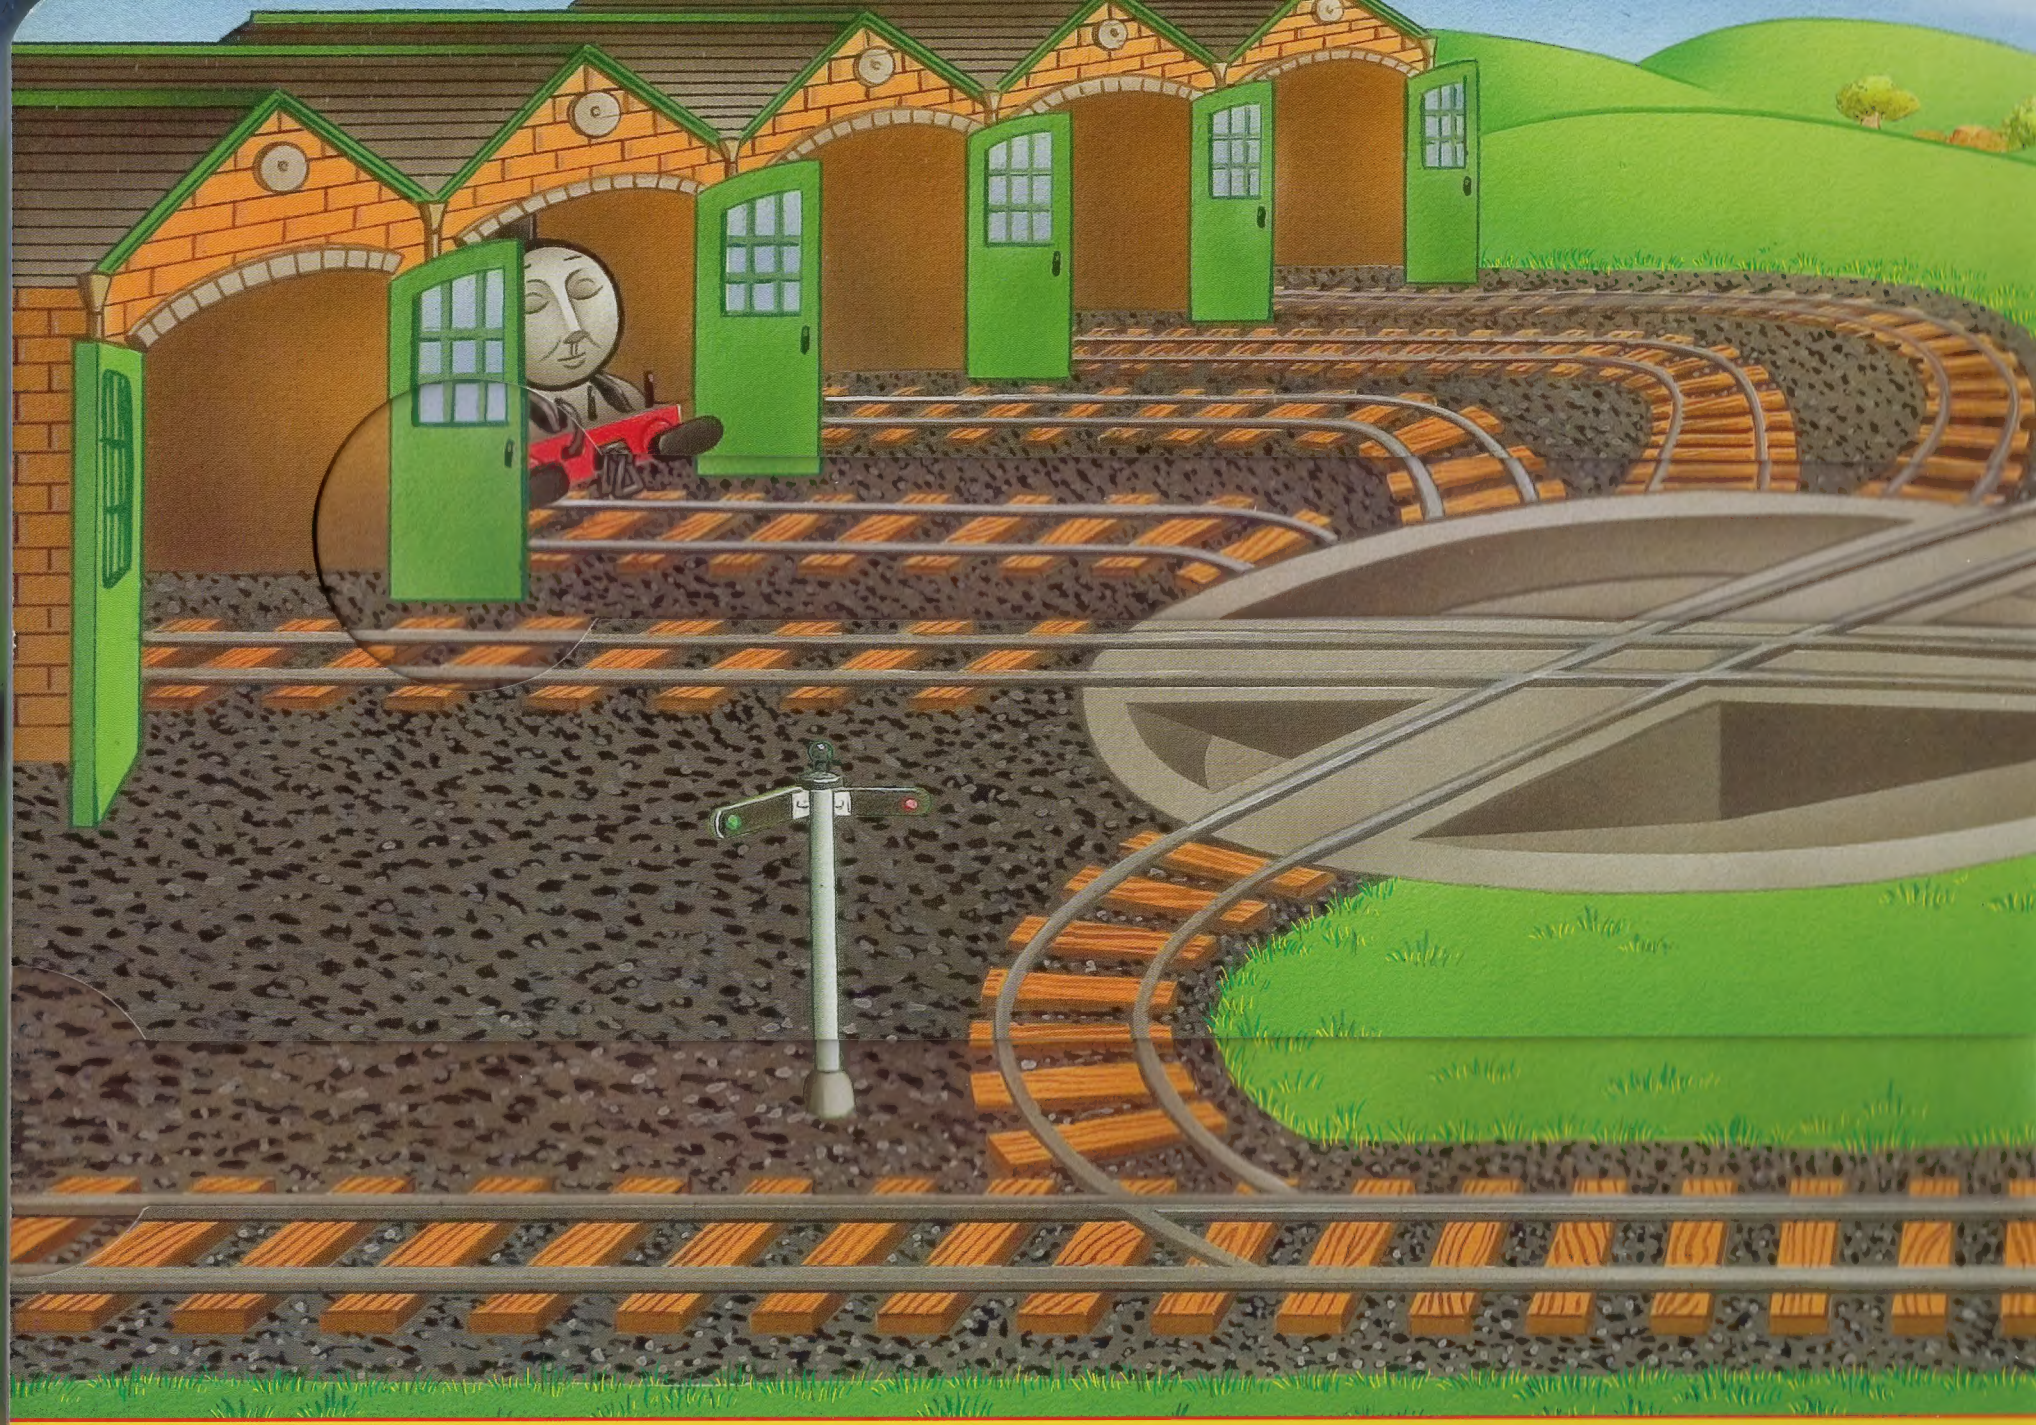
Where does the track cross the road? How are the rabbits different?

What do you think is in Cranky's crate? How many barrels are on the dock?



Through the tunnel comes Thomas, and
he heads to the dock! What a busy day!
"Peep! Peep! So long, Cranky! I am
going back to the engine shed!"

What color are Salty's stripes? Is the shed door open or closed? What is over the tunnel?



Is Gordon awake or asleep? How many sheds are empty? Where is the signal?

How many sheep are on the hill? Who is parked on the siding? What color are the birds?
